

Position Description April 26-28, 2023

Wisconsin Technical College System (WTCS) Ambassador

As a WTCS Ambassador, it is expected that you will:

- Arrive at the Wilderness Resort in Wisconsin Dells by 4 pm on Wednesday, April 26, 2023, and participate in leadership development with peers from all 16 of Wisconsin's world-class technical colleges through 12 pm on Friday, April 28, 2023.
- Actively participate in networking with Ambassador peers followed by dinner with WTCS Staff and Ambassador Coordinators the evening of Wednesday, April 26, 2023.
- Take part in a formal banquet the evening of April 27, 2023.
- Actively participate with your peers in creating video testimonials on Friday morning, April 28, 2023.
- For one year following your selection as a WTCS Ambassador, within the confines of your academic, work and family commitments:
 - you will be invited for various speaking engagements upon your availability, such as at WTCS Board meetings, meetings of the Wisconsin Technical College District Boards Association (the System's trustee membership organization) and System professional development events; and
 - be a consistent champion in your community for the many opportunities available at Wisconsin's technical colleges, considering yourself a representative of goodwill for not only your college, but all 16 WTCS colleges.

Each Ambassador's experience differs based on her or his availability, interest, skills and the number and type of engagement opportunities available in any given year.

I accept responsibility for attending the WTCS Ambassador program in Wisconsin Dells on April 26-28, 2023 and representing WTCS and my college for the year following selection.
